EC Certificate of Conformity

1211-CPD-1559-1-2013

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product

SAS – Post-tensioning bar tendon system

post-tensioning kit for prestressing of structures with bars, internal bonded and unbounded and external

placed on the market by

**STAHLWERK ANNAHÜTTE
Max Aicher GmbH & Co.KG
D-83404 Ainring-Hammerau**

and produced in the factory **see above**

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 1211 – Materialprüfungsamt für das Bauwesen der Technischen Universität München - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control and an audit-testing of samples taken at the factory, on the market or on the construction site.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the European technical approval

ETA-05/0122
(dated 30/06/2013),

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 01/05/2006 and remains valid as long as the conditions laid down in the ETA in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

This certificate is valid until 29/06/2018 at the latest.

München, 30/06/2013

Dr.-Ing. K. Ebert
(Head of Certification Body)
